Dear Henry,

Thank you so much for your letter of 15th May about the signing of an agreement in principle between the European Democratic Group and the Alianza Popular. It was good of you to keep me informed and I would be delighted in due course to be the guest of the newly enlarged group.

I know that you were due to meet Senor Fraga in Venice earlier this week and I think you will have received a message before that meeting, letting you know that I would very much like to meet Senor Fraga in London. Arrangements are now in hand to find a mutually convenient date.

Yours ever

Rogant
