Showbiz Reception, 18th April, 1988

Further to your minute of 27th January. I should like to put forward the names of Sir Jeremy Child Bt and Julian Fellowes. Both these gentlemen are actors, and the former played one of the Conservative MPs in the television production of "First Among Equals". We might also ask the actor who played the other Conservative MP, if we knew who he was!

The Prime Minister proposes to hold a reception on 18 April to which she will invite various show business personalities. We have asked for extra suggestions from the Office of Arts and Libraries, and the Minister for Sport, but I should be grateful if you could let Sue Goodchild have any suggestions by the end of this week.
