

PM. Longer term problems. Pensions will be a problem. 75+ will get added to provide intellectual case. NHS review end of Jan. invited questions. We are not selling privatisation enough.

John Butterfill coal. Andrew Mackay Eric Pickles is exhausted. Should we not help leaders of local authorities? (A) Could not Business in Community or percent club help Pati McLoughlin. A good case to get rid of County councils Oppenheim Education can be devolved down. Tim Yeo A problem with pensions. PSDR not sold sufficiently. Tax incentive for investment. Jim Couchman Green issues and saturation of SE a giant issue. Underground system in a dreadful condition Rt Hon Hayward involve major chains involved in serving community. KBT. Use sports personalities.

David Harris A variation of Neighbourhood watch. KBT watch. Tony Farrell small starter flat £60,000. We must open Countryside. Excuse of environment. Colin Shepherd. We lost a bye election because of planning permission Tony Baldry Banbury bypass into my predecessor. Gerry Neale Traffic congestion a major problem at next election. Statistics terrifying.

McLoughlin Change planning law on motorways Alastair Bunt Community change. Local authorities are jacking up their expenditure. We must expose this as a long term political initiative.

Environment. Biodegradable items needed Butterfill not enough incentive for savings. PEPS. or a new vehicle. Thurkham

John Ward Toxic waste on green. Chemicals + drugs in animal feed and milk. Andy Stewart Eggs Forman

Quality of life issues - transport - environment - law and order
